Re: Community Disaster Loan Program

Dear FCO Howard:

The Commonwealth of Kentucky requests that FEMA implement the Community Disaster Loan Program for FEMA-4663-DR-KY.

The Commonwealth is confident that there are several communities within the presidentially-declared disaster area that will meet the eligibility requirements regarding current and future revenue losses.

The Commonwealth will gladly provide whatever support is needed to assist communities with the application process. Should you have questions or require additional information, please do not hesitate to contact Assistant Director Stephanie Robey.

Thank you for your assistance.

Sincerely,
