

SHORT INTRODUCTION FOR GOVERNOR ANDY BESHEAR

Governor Andy Beshear grew up in central Kentucky and graduated from Lexington's Henry Clay High School before attending Vanderbilt University and the University of Virginia School of Law. His family and community instilled in him the values of faith, family, and public service. He leaned on those values more than ever during the COVID-19 pandemic and during two historic natural disasters: the tornadoes that struck Western Kentucky and the flooding that devastated Eastern Kentucky.

Now in his second term, Gov. Beshear continues to re-build and revitalize those communities, and Kentucky's economy is booming like never before. Even as our state faced some of its toughest challenges, Gov. Beshear prioritized improving and expanding infrastructure and bringing good-paying jobs to every corner of the commonwealth.

The Governor and his wife, First Lady Britainy Beshear – along with their two children – live in Frankfort and are active in Louisville's Beargrass Christian Church.
