

Andy Beshear
GOVERNOR

Fiscal Responsibility and Transparency
PROTECTING YOUR DOLLARS

- Gov. Beshear has been a strong fiscal leader, managing the three largest budget surpluses in Kentucky's history.
- Gov. Beshear has also brought the state's rainy day reserve fund to nearly \$4 billion for fiscal year 2024, the largest amount in the state's history.
- Because of Gov. Beshear's sound fiscal management, he was able to sign into law an income tax cut that put money in the pockets of Kentuckians.

Transparency

- Implementing an administration-wide culture of public accountability and leading by example.
- Focused on putting Team Kentucky first by doing what's right – not moving the state right or left, but forward.
- [Publicly posting](#) use of the state airplane, which is to be used for official state business.
- Releasing public records previously withheld and settling legal cases from the prior administration with state news organizations.
- [Releasing Governor's and Lieutenant Governor's tax returns](#) every year in elected office.
- First Governor to hold regular, standing news conferences weekly to answer questions from the media and provide informational updates to Kentuckians.
- Has held approximately 750 news conferences and issued more than 2,000 news releases.
