

Protecting Your Rights

- Vetoed a bill cruelly designed to prevent access to potentially life-saving medical care for minors and strip away parents' rights to seek appropriate treatment for their children.
- Vetoed a bill to strip away parental participation in making decisions on school personnel and curriculum.
- Vetoed extreme legislation that would eliminate abortion options for victims of rape and incest.
- Vetoed numerous bills, including those later proven to be unconstitutional wastes of time, attempting to weaken the executive branch and grab power for other branches of government and constitutional officers.
- Vetoed bills creating additional, unnecessary barriers to access essential health care services.
- Vetoed legislation stripping the Governor's authority to take life-saving action in emergencies
- Vetoed bills to weaken transparency and accountability to the public and to weaken Kentucky's Open Records Act.
- Vetoed a bill creating additional obstacles to voting.
