Dear Mr. Pate,

I am pleased to submit this Exchange Declaration of Intent Letter on behalf of the Commonwealth of Kentucky. This letter is to inform you of the Commonwealth's intent to transition from a State Based Exchange on the Federal Platform to a State Based Exchange for plan year 2022.

The Commonwealth designates Carrie Banahan as the primary point of contact regarding the transition to a State Based Exchange. Ms. Banahan is authorized to bind the Commonwealth regarding the Exchange and complete and sign the Exchange Blueprint application. Kentucky acknowledges that the Department of Health and Human Services (HHS) and the Commonwealth may agree to amend this declaration letter to include additional information necessary to establish the Exchange.

We look forward to working with you on a successful transition to a State Based Exchange.

Sincerely,

A handwritten signature in blue ink, appearing to read "AB", written over a white background.
