STATE OF EMERGENCY RELATING TO SUSPENSION OF
KRS 186.531, KRS 186.050, KRS 186A.130

Beginning on July 26, 2022, and continuing, a severe weather system generating multiple rounds of heavy torrential rain, causing death and injury, flooding, flash flooding, mudslides, and landslides is impacting the Commonwealth of Kentucky, creating dangerous conditions and damage to public infrastructure, utility distribution systems, and private properties;

These conditions endanger public health and safety and/or public and private property;

By virtue of the authority vested in me by the Constitution of the Commonwealth of Kentucky and by Chapter 39A of the Kentucky Revised Statutes, I, Andy Beshear, Governor of the Commonwealth of Kentucky, declared by Executive Order 2022-457 on July 28, 2022, that a State of Emergency exists in the Commonwealth of Kentucky;

The severe weather system caused Kentuckians to lose their state-issued driver's licenses or state-issued personal identification cards, inhibiting their ability to drive or obtain necessities of life such as access to bank accounts, and caused Kentuckians to lose their registration and certificates of title for their motor vehicles;

State and local governments share responsibility for the protection of public health, safety, and security, as well as for the protection of public and private property and for taking appropriate actions to ensure the provision of essential public services;

KRS 186.531 assesses certain fees that individuals must pay to obtain a duplicate state-issued operator's license, instruction permit, or personal identification card;

KRS 186.050 assesses certain fees that individuals must pay to obtain a duplicate motor vehicle registration;

KRS 186A.130 assesses certain fees that individuals must pay to obtain a duplicate certificate of title for a motor vehicle;

The Secretary of the Kentucky Transportation Cabinet recommended a suspension of the provisions of KRS 186.531(2) and (3) that assess a certain fee for issuance of duplicate state-issued operator's licenses, instruction permits, and personal identification cards during the state of emergency, and recommends a suspension of KRS 186.050 and KRS 186A.130 that assess a certain fee for the issuance of a duplicate motor vehicle registration and a duplicate certificate of title for a motor vehicle.

On August 1, 2022, I declared in Executive Order 2022-473 that a State of Emergency exists in the Commonwealth and suspended the statutory provisions that assess certain fees for issuance of duplicate state-issued operator's licenses, instruction permits, and personal identification cards, and issuance of a duplicate motor vehicle registration and a duplicate certificate of title for a motor vehicle;
